

**litigation consulting group**

---

### **expertise to help you help your clients**

As an attorney, you need litigation consulting services from experts who focus on litigation. Whether assessing economic damages in litigation or determining the value of a closely held business, it is crucial that your accounting experts are available when you need them. That's why we have a team of experts who provide a wide range of litigation consulting, business valuation and forensic accounting services.

Attorneys count on Cotton + Allen to perform exceptional work for their clients. Our Litigation Consulting Group understands your need for accounting expertise in complex litigation matters. Law firms rely on our thorough training, specialized certifications and solid reputation, knowing that our opinions will stand up to the toughest scrutiny.

---

### **experts who know how the legal system works**

Attorneys and expert witnesses must work closely together to prepare for trial. It is essential that they are on the same page. Our Litigation Consulting Group includes experienced expert witnesses who understand the intricacies of legal matters.

Our team of professionals includes certified public accountants and attorneys whose experience in and out of the courtroom provides a rare combination of litigation and accounting expertise. Our ability to understand the legal issues and effectively communicate our opinions allows counsel to concentrate on other important aspects of the case while we focus on issues relating to damages.

---

### **our resources are on your side**

As a member of the RSM McGladrey Network, we have access to the litigation

**We put the experience of our certified public accountants and attorneys on your side, giving**

*Awarded honors for outstanding historic preservation, our business home in downtown Louisville's First Trust Centre is a testament to our firm's legacy.*

support resources of a national organization of more than 6,700 professionals in over 300 locations. This network allows Cotton + Allen to provide the services of a national firm at a local level.
